

Flexicare

Private primary healthcare

Dear Pharmacy and Software Vendor

Flexicare administered by Discovery Health

On 1 June 2021 Discovery Primary Care and Flexicare members migrated to the new Flexicare policy offered by Auto & General, administered by Discovery Health.

This letter explains the changes that take place from 1 July 2021.

Medicine claims with a service date from 1 July 2021 **onwards**

Plan	Destination code	Contracted (VAT included)	Non-contracted rates and codes (VAT included)
Flexicare	DPCA0003	For Flexicare employer groups that uses Clicks: Use code DISCKPA – 29.90% capped R29.90	Reject
	DPCA0003	For other Flexicare members: Use code DISCKPF – 29.90% capped at R29.90	Reject

- When you submit a claim for **pharmacy advised therapy**, you must submit the pharmacy practice number as the referring provider.
- Do not use the Clicks capitation code as DISCKPC does not apply any longer.

Existing pharmacy clinic codes

The codes below now apply to Flexicare

Pharmacy codes	Procedure	Procedure code	Rate VAT inc.
001 203 001	Primary Care HIV for enrolled employer groups at participating pharmacies	PCHIV	R71.00
