

Dear Pharmacy and Software vendor

You must change the claiming codes for Remedi Medical Scheme - Standard

You must please change the submission codes (in blue) below for the Standard Option of Remedi Medical Scheme on your system. The new codes are effective from **1 July 2022**:

Option	Destination code	Contracted Rates and codes for the independent community pharmacy network (VAT included)	Contracted Rates and codes for the discounted standard corporate network (VAT included)	Contracted Rates and codes for the courier network (VAT included)	Not contracted Rates and codes for non-network pharmacies (VAT included)
Standard option Non-SEP:	KeyCare	36.32% cap R59.92	36.32% cap R59.92	36.32% cap R59.92	29.90% cap R29.90
Standard SEP:	MSRM0000	REM435 18.40% Cap: R18.40 Minimum: R7.06	REM386 18.40% Cap: R18.40 Minimum: R7.06	REM386 18.40% Cap: R18.40 Minimum: R7.06	DISCKREA Acute 16.14% cap R18.40 20% co-payment on acute DISCKREM Chronic 23.00% cap R23.00 20% co-payment on chronic

Please note:

- The Standard Option of Remedi Medical Scheme continues to follow the KeyCare formulary.
- Stale claim period applies
