ACCESS TO FULL ELECTRONIC HEALTH RECORDS

Access your patients' full medical records to offer proactive patient care.

TECHNICAL SUPPORT

You can contact your Discovery Field Force agent who will take up the issue with the HealthID technical specialists for further assistance.

If you are not serviced by the Discovery Field Force, you can call the Discovery HP call centre on 0860 44 55 66.

PRIMARY CARE PROVIDER NOMINATION

From 2024, all members registered for Prescribed Minimum Benefit chronic conditions will be required to nominate a primary care network GP to manage their chronic illnesses for full cover for chronic conditions.

CHRONIC ILLNESS BENEFIT APPLICATIONS

Enrol and manage patients with qualifying chronic conditions.

CARE PROGRAMME ENROLLMENT PROCESS

Enrol and manage patients on qualifying care programmes, e.g. Diabetes Care and Comprehensive Mental Healthcare support (including iCBT).

ENHANCED VIRTUAL CONSULTATIONS

Conduct online consultations with your patients using video voice, and in-consultation text.

HOME MONITORING DEVICE

TytoHome allows you to examine and diagnose common conditions. With patients using this device, you can guide them to examining their heart, lungs, ears, skin and temperature for accurate virtual consultations.

MULTIDISCIPLINARY CARE TEAM ACCESS

Get full consent for your practice. Designate access and rights for practice employees such as practice managers, clinical healthcare workers and locum doctors.
