

10 Reasons for you to choose LA Health Medical Scheme

Here are some of the best reasons for you to choose LA Health Medical Scheme to pay the healthcare costs for you and your family:

- 1 You get the best hospital cover:** what if something happens to you and you need to go into hospital? What would you do about the costs? What would happen to your family? With LA Health, you have peace of mind you can get healthy and be able to continue to provide for your family. If anything happens to someone in your family, he or she will also have cover for hospital costs.
- 2** Within a wide-reaching **network of healthcare providers** you get unlimited hospitalisation and comprehensive day-to-day cover through LA KeyPlus.
- 3** **Your Medical Savings Account** will take care of all your normal day-to-day benefits. When you need more cover, the Scheme will pay for it from the **Insured Procedures Benefit** on the LA Active and LA Core and the **Above Threshold Benefit** on the LA Comprehensive Options.
- 4** **You get emergency cover:** if something happens to one of your family members but you work far from home, wouldn't it be great for you to know help would come to his or her rescue? With LA Health, you and your family get quick emergency help.
