

What are you buying when you join LA Health?

Unlimited cover in a private hospital

As an LA Health member you will have access to the best doctors and specialists in a safe and clean environment – so you can stop worrying and focus your energy on getting well. You will be treated in a private hospital or facility until you are well enough to go home. You will not be transferred to a public hospital because your funds have run out, because you will have unlimited hospital cover.

You spend the money in your Medical Savings Account

With LA Health your Medical Savings Account is your money and you can decide which doctor or medicines to use it for. You have the power to make it work best for you and your family. If you don't spend all the money in your Medical Savings Account during the year, you will carry it over into the next year. We help you save your money for when you really need it.

Emergency and accident cover for you and your family

Accidents happen in the blink of an eye and with LA Health you have access to emergency services, as well as unlimited private medical care until you are well enough to go home.

Always have access to your LA Health information

LA Health members now have access to Discovery Mobile services. This new information service allows members to access their basic Health Plan and claims information through their cellphones. It's not only convenient, it's cost-effective too! Members can do this by either sending an SMS with a keyword to 31DIS (31347) or by logging into the WAP site, <http://discoveryinfo.mobi>

Access to medicine for your chronic condition

Being diagnosed with a chronic illness affects many aspects of your life, diet and exercise, and you will need to take medicine on a regular basis. With LA Health you have access to a Chronic Illness Benefit which includes the diagnosis, medical management and treatment of a list of 26 chronic conditions and HIV/AIDS. On some of the plans we even cover many more conditions! If you have HIV/AIDS you can join our HIV/AIDS Management Programme and receive private hospital care, support, counselling and AIDS medicine when you need it. And, you will never need to worry - we will treat all your information with complete confidentiality!

Access to the Scheme's health and wellness programme

Get active. Get healthy. Get fabulous discounts and benefits.

With LA Health you have access to a health and wellness programme and its fabulous benefits. It doesn't matter if you want to exercise your muscles, or if you want to exercise your brain – our wellness programme offers it all. Best of all, the benefits keep on getting better; the higher your status, the better your discounts!
