

DISCOVERY BUSINESS INSURANCE

Premium relief for restaurant owners

Discovery Business Insurance, a proud partner of the Restaurant Association of South Africa (RASA), recognises that the COVID-19 pandemic has severely impacted the restaurant industry.

We are therefore offering a premium relief solution to help clients with premium affordability:

Restaurant owners receive
25% premium cash back
on non-motor premiums

To qualify for the cash back, clients must:

- Have an active Discovery Business Insurance plan
- Be covered under the Restaurant owners' product
- Be up to date with their premium payments

This offer is available during COVID-19 lockdown alert level 3 to level 5 or until the end of September 2021, whichever ends first. Both new and existing clients can qualify for the cash back.
