

DISCOVERY BUSINESS INSURANCE

Special offer for clients

To celebrate the milestone of Discovery Insure being in business for 10 years this year, we have a special offer for clients to help them save on their business insurance premium.

We will beat the client's current business insurance premium if they meet the qualifying criteria.

WE WILL BEAT YOUR CLIENT'S CURRENT PREMIUM

We save our clients money on their business insurance premium by guaranteeing to beat the amount they are currently paying, provided they meet the qualifying criteria. Clients will pay a lower premium, while they still get the cover and benefits they need to remain adequately protected. In addition, all Discovery Business Insurance clients will automatically get access to legal support services at no additional premium.

We will beat the client's premium for any qualifying quotes during the period 1 April to 16 December 2021.

Qualifying criteria:

- Only new clients can qualify for the special offer.
- The client must be a small or medium sized business with:
 - Up to 50 employees and
 - Up to R10 million annual turnover
- They must be a low or medium risk business:
 - Operating in the professional and personal services industry and
 - Have a loss ratio of 65% or less for the last 3 years

Note:

- If Discovery Business Insurance does not provide a certain type of cover, we will beat the total policy premium for the sections we do cover.
- The competitor premium will be beaten when the quote is a comparable product with comparative benefits and similar excess structures and limits.
