

# HOW TO REGISTER AND BOOK FOR YOUR COVID-19 VACCINATION

## STEP 01

### REGISTER WITH THE EVDS

You must first register on the **national Electronic Vaccination Data System (EVDS)** when your age group is eligible. You can register on [vaccine.enroll.health.gov.za](https://vaccine.enroll.health.gov.za) or by dialling \*134\*832# or WhatsApp the word REGISTER to 0600 123 456.

## STEP 02

### BOOK YOUR VACCINATION AT A DISCOVERY SITE

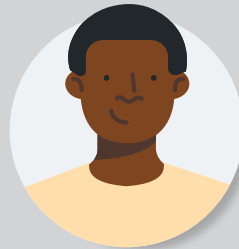

Once you are registered on the EVDS, you can then book for your vaccination on our online [Discovery COVID-19 Vaccination Navigator](#). We will guide you through the booking process and prepare you for your vaccination day.

**Just follow these easy steps:**

**If you are a Discovery client, log in** or create your profile on the **COVID-19 Vaccination Navigator**.

If you are not a Discovery client select **Register** and you will have access to the booking functionality through our Discovery Prepaid Health platform.

Follow the steps in the navigator to **complete your personal details** so we can support you on your vaccination journey.

Select **Book your vaccination** to confirm the Discovery vaccination site, date and time that is most convenient for you. We will remind you of your appointment when it's your turn to be vaccinated.
