

When you *feel sad*

Use any of the tips when you are feeling sad.

1  Drink some hot tea.

2  Clean your space.

3  Write down your feelings.

4  Read a book.

5  Turn off your phone.

6  Cry it out.

7  Get some sunlight or time outdoors.

8  Challenge your negative thoughts.

9  Listen to motivational talks or podcasts.
