Lump-sum payouts for severe illnesses

MEDICAL BREAKTHROUGH FUNDER

Certain severe illnesses and types of cancer are associated with extremely high treatment costs. These costs are largely driven by new, advanced technologies that can be life-saving, but also very expensive.

The Medical Breakthrough Funder increases your access to the very latest treatments and reduces the financial burden that often accompanies these illnesses. This will assist you and your family to maintain your quality of life after a life-changing event.

We provide you, your spouse or child with a tax-free lump-sum payout of up to R600 000 on diagnosis of certain types of cancers and other severe illnesses typically associated with high treatment costs.

You can use this lump-sum payout for any shortfalls in medical scheme cover that you would otherwise have to fund yourself, or use the money for other financial needs. The amount paid out depends on the medical condition or the type and stage of cancer. We group these amounts into four benefit categories.

Medical Breakthrough Funder category amounts	
Category 1	R60 000
Category 2	R150 000
Category 3	R300 000
Category 4	R600 000

In addition to and in line with increasing your access to breakthrough treatments, the Medical Breakthrough Funder will also assist with funding advanced genomic sequencing of certain cancers, to inform the optimal treatment regime.

The Medical Breakthrough Funder does not end after the first payout of a single claim. Cover will continue for unrelated conditions up until the maximum claim amount of R1 000 000 for each insured person. It is possible for you to qualify for a payout under more than one category at the same time. In such cases, the benefit amount is based on the condition that provides the highest payout.

Discovery Supplementary Gap Cover is a long-term insurance policy, underwritten by Discovery Life Limited. Registration number 1966/003901/06, is a registered long-term insurer, and an authorised financial services and registered credit provider, NCR Reg No. NCRCP3555.

DISCOVERY SUPPLEMENTARY GAP COVER

Premium protection and home support when you need it most

COMPREHENSIVE PREMIUM PROTECTOR

The Comprehensive Premium Protector will make sure that you and your family can continue membership of your medical scheme, Vitality and Discovery Gap Cover products in the event of a qualifying severe illness, disability or death.

Loss of income and the additional costs that accompany a life-changing event could make it difficult for you to pay your monthly expenses.

This benefit pays these contributions for up to two years after a qualifying life-changing event.

The Comprehensive Premium Protector also gives you the option to upgrade your medical scheme plan to a Classic Comprehensive Plan or an equivalent plan on your medical scheme while you receive a claim payout, enhancing your family's protection against unforeseen health events.

This is subject to your medical scheme's rules.

This benefit will also cover a baby born to you and your spouse within nine months of the benefit payment start date. The Comprehensive Premium Protector will not cover any other new members that you add to your medical scheme while you are receiving a claim payout.

The Comprehensive Premium Protector premiums will be paid directly to your medical scheme.

HOME SUPPORT BENEFIT

The Home Support Benefit pays you a monthly amount of R11 000 for a year if you or your spouse suffer a qualifying life-changing event that results in a loss of ability to perform a certain number of Activities of Daily Living. This amount can be used as you see fit.

Activities of daily living are routine activities like eating, bathing and dressing that people usually do without needing assistance.

If there is a severe illness in your family, one of your family members may have to stop working to care for the affected person. You may also need to employ someone to help at home.

ANNUAL PAYBACK

Our shared-value approach to insurance enables us to reward you for living a healthier, safer and more active life.

With Discovery Supplementary Gap Cover, you can receive an Annual PayBack of up to 25% of the total premiums paid over the calendar year. This is based on how you manage your health and driving behaviours. This is paid to you at the beginning of each year.
