# Hospital Networks

All Discovery Health Medical Scheme health plans offer unlimited hospital cover. You are covered in any facility approved by the Scheme. The funding of newly licensed facilities are subject to approval by the Scheme, on all health plans. Some of our plans offer cover for planned admissions in a defined network. These plans include Classic Smart Comprehensive, Delta options, Coastal, Smart and KeyCare plans.

## **KH** KEYCARE HOSPITAL NETWORK

These hospitals apply to members on KeyCare plans. You must go to a hospital in the KeyCare Hospital Network for planned admissions on the KeyCare Plus and KeyCare Core plans. **If you do not use one of these hospitals for a planned admission, you will need to pay for these claims.**

## **KC** KEYCARE CASUALTY HOSPITALS

On KeyCare Plus you are covered in any network casualty unit at one of the KeyCare network hospitals. You have to pay the first R390 of the consultation and cover is subject to authorisation. If you use a casualty unit outside of the KeyCare Casualty Network, you will have to pay the difference between what the Scheme pays and what is charged. On KeyCare Start you have access to after-hours care at your chosen KeyCare Start GP or network provider.

## **KS** KEYCARE START HOSPITAL NETWORK

These hospitals apply to members on the KeyCare Start plan. We cover you in full at the agreed rate in your chosen KeyCare Start Network Hospital. If you do not use your chosen hospital for a planned admission, you will need to pay these claims. Based on your chosen KeyCare Start GP you have access to a KeyCare Start Network Hospital in your region. **This does not apply in an emergency.**

[Click on the region you would like to view](#)

## **D** DELTA HOSPITAL NETWORK

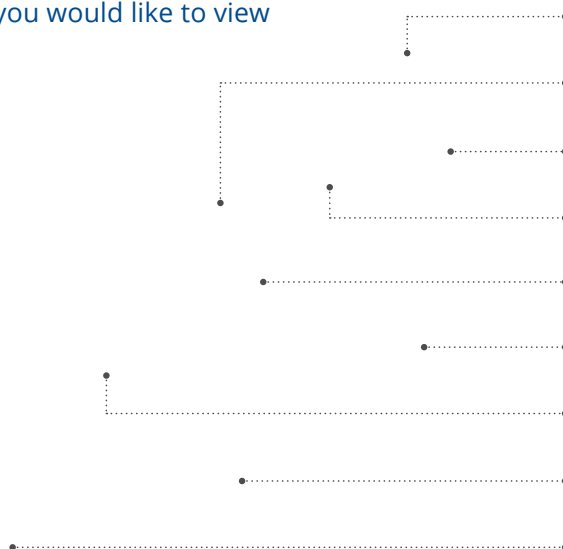

Applicable to Classic Delta Comprehensive, Essential Delta Comprehensive, Classic Delta Saver, Essential Delta Saver, Classic Delta Core and Essential Delta Core network options. You are covered in full at hospitals in the Delta Hospital Network in accordance with your health plan benefits. For planned admissions to any other private hospital, you must pay an upfront amount of R8 400. **This does not apply in an emergency.**

## **S** SMART HOSPITAL NETWORK

You are covered in full at hospitals in the Smart Hospital Network in accordance with your health plan benefits. For planned admissions to any other private hospital, you must pay an upfront amount of R9 650. **This does not apply in an emergency.**

## **C** COASTAL HOSPITAL NETWORK

On the Coastal Saver and Coastal Core health plans, you must go to an approved hospital in one of the four coastal provinces (Eastern Cape, KwaZulu-Natal, Northern Cape, Western Cape) for a planned admission. If you use a hospital outside of the coastal regions, we will pay up to a maximum of 70% of the Discovery Health Rate (DHR) for the hospital account. **This does not apply in an emergency.**

# Major Joints Network 2019

The Major Joints Network consists of teams working at hospitals in a quality of care programme. Members using participating practices and hospitals in the Major Joints Network will enjoy full cover. Planned admissions performed outside the hospital network or by non-participating practices will be covered up to 80% of the Discovery Health Rate (DHR) for the hospital account and is subject to the limit per prosthesis if a preferred supplier is not used. Unless otherwise indicated the standard hospital network rules by plan apply (including for Coastal, Delta and Smart plan series). Plan type deductibles, payable by the member, in the normal course of events remain applicable. This network will not apply to emergency and trauma related surgeries as well as bilateral and revision replacements or those related to congenital malformation of the joint, septic joints or cancer. This network is not applicable to the KeyCare and Essential Smart plans, because major joint replacements are excluded on these plans.
