Please take note:

- These SEP, non-SEP and surgery network rates apply to all medicine benefits (acute and chronic, oncology and HIV) as network rates except where separately mentioned.
- *MedXpress Network Pharmacies are part of the designated service provider (DSP) network for all chronic medicines for the DHMS Delta, Core, Priority, and Saver plans. A non-DSP co-payment of 20% on chronic medicine applies to all other pharmacies. Please look out for your pharmacy's monthly formulary compliance reports. Members can view a list of MedXpress Network Pharmacies on our website at www.discovery.co.za or on the Discovery app under **Find a healthcare professional**. MedXpress Network Pharmacy reviews take place every 4 months.
- ** Pharmacies are automatically included in the HIV ARV DSP network when reaching the ARV formulary compliance criteria over a period of 6 months. To continue participation in the HIV ARV DSP network, pharmacies need to maintain ARV formulary compliance. A non-DSP co-payment of 20% on ARV medicine applies to all other pharmacies. Please look out for your pharmacy's monthly formulary compliance reports. Members can view a list of HIV ARV DSP pharmacies on our website at www.discovery.co.za or on the Discovery app under **Find a healthcare professional**. HIV ARV DSP reviews will take place every 4 months.
- Independent pharmacies may downgrade to discounted corporate network rates by choice.
- ©The Dis-Chem and Clicks Retail rates for non-SEP and surgical items are 31.05% cap R31.05 (VAT incl.).
- Performance Based Remuneration only applies to Discovery Health Medical Scheme and is not available for courier pharmacies or corporate hospital pharmacies on the community rate.
- For KeyCare Start plans, the state (government) is the DSP.
