## How to access your profile as a doctor

To access your professional profile, access HealthID 2:

1. Click the **settings** icon in the header. It will take you to the **Settings** page where you can view your personal details.

Settings icon.

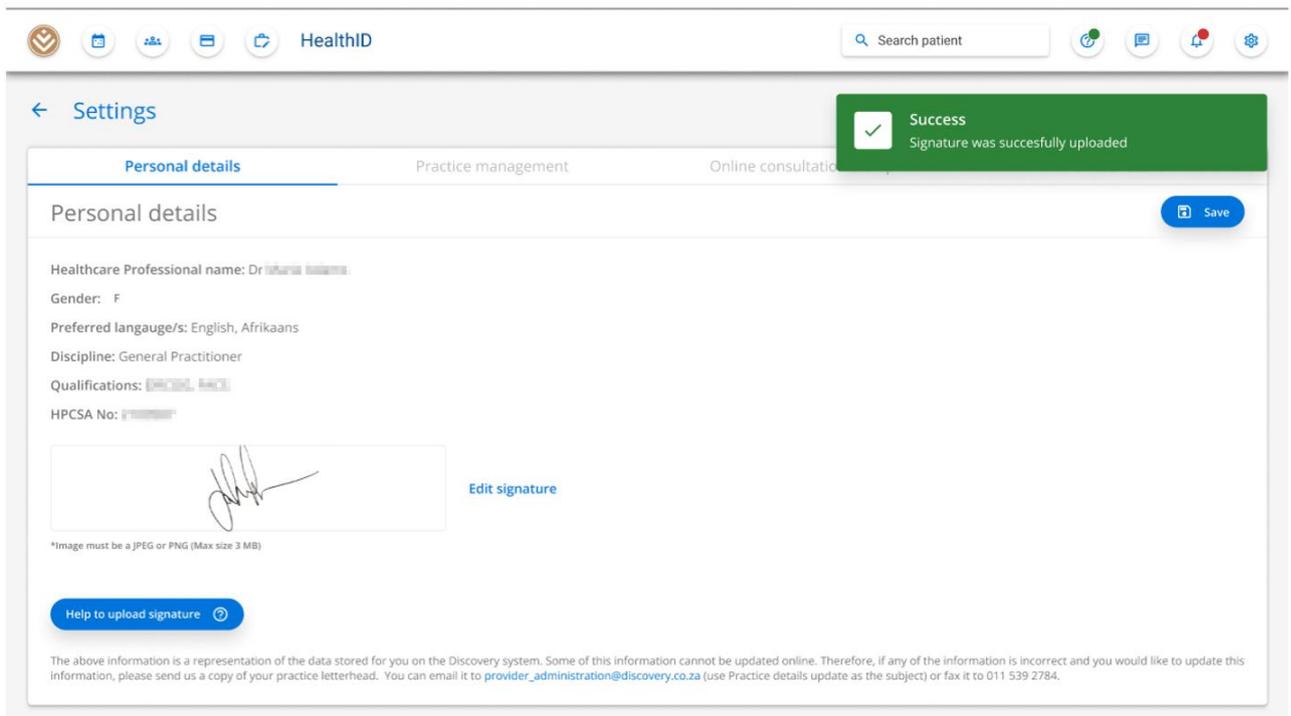

2. Within the personal details page, you can view your healthcare professional information.

The screenshot shows the HealthID interface. At the top, there's a navigation bar with icons for home, calendar, user profile, messages, and a search bar labeled 'Search patient'. The main content area is titled 'Settings' and has four tabs: 'Personal details' (selected), 'Practice management', 'Online consultation set-up', and 'Work schedule'. Under the 'Personal details' tab, there's a 'Save' button in the top right. The form contains the following fields: 'Healthcare Professional name: Dr [redacted]', 'Gender: F', 'Preferred language/s: English, Afrikaans', 'Discipline: General Practitioner', 'Qualifications: [redacted]', and 'HPCSA No: [redacted]'. Below these is an 'Upload signature' section with a blue button and a note: '\*Image must be a JPEG or PNG (Max size 3 MB)'. At the bottom of the form is a blue button that says 'Help to upload signature' with a question mark icon. A footer note states: 'The above information is a representation of the data stored for you on the Discovery system. Some of this information cannot be updated online. Therefore, if any of the information is incorrect and you would like to update this information, please send us a copy of your practice letterhead. You can email it to [provider\\_administration@discovery.co.za](mailto:provider_administration@discovery.co.za) (use Practice details update as the subject) or fax it to 011 539 2784.'
