HOW TO ASK FOR CONSENT – PRIMARY CARE PROVIDER NOMINATION

DISCOVERY HEALTH 2023

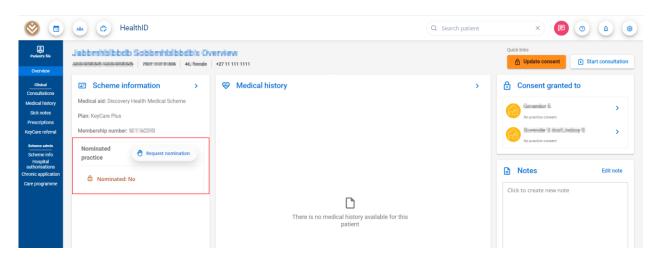

How to ask for consent - PCP nomination

A provider seeking PCP nomination, can do so on the Patients file. Scheme information shows the nominated practice.

- Nominated practice will displays the Primary Care indicator for the patient
- A provider can only ask for consent if they are eligible

An eligible provider can request a nomination as seen on the below screen.

*This means that the member does not have a nomination & Provider is eligible to nominate themselves

An eligible provider can also change a nomination as seen on the below screen.

*This means that the Provider is eligible to nominate themselves - but member is currently nominated to another practice
