HOW TO COMPLETE AND SUBMIT A PRESCRIPTION ON THE PLATFORM

DISCOVERY HEALTH 2023

How to complete and submit a prescription on the platform

- 1. Initiate an online, in-person or telephonic consultation.
- 2. The user will land on the 'Consultation notes' page. They must capture consultation notes to submit the consultation.

How to complete and submit a prescription on the platform

6. Clicking on a medicine search result will add the medicine to the prescription. The user must add instructions and quantity for each medicine.

7. Once the medication has been added and the instructions and quantity are captured, the medicine will appear on the prescription PDF. The prescription PDF will be available for download once the consultation is submitted.

Q Search to ac MEDICINE Aspen stavudine	ld medicine STRENGTH 400mg	FORM	INSTRUCTIONS	efore meals	QTY 30	RPTS ALLOW AL	TERNATIVES	

8. On the 'Submit consultation' page, the user can review all information captured during the consultation. The user can return to any section of the active consultation and add or update information. When the user clicks on the 'Submit' button, the consultation will be submitted and a view of the submitted consultation section will appear. This includes the option to download any documents created during the consultation, i.e., prescription, sick note and referral note.
