Dear Health Professional

Free trial of RecoMed to experience the benefits of increased bookings

In recent years, technological advancements have surged, presenting substantial opportunities to alleviate administrative burdens in medical practices.

We've been tracking global and local trends, keeping healthcare providers informed about technologies that greatly improve care delivery, administrative efficiency and overall practice success.

The value of digital bookings

Digital booking is a powerful tool that delivers significant value. It's quick, taking just 30 seconds compared to the several minutes needed for phone bookings. Plus, it allows patients to book appointments outside of business hours, offering them greater convenience.

What RecoMed offers

RecoMed is a leader in digital booking and appointment management. It integrates smoothly with all major practice management applications in real time. By listing your practice on our portals, on Google and on other channels,

RecoMed can increase your practice's visibility and accessibility, which can increase overall patient bookings.

Benefits of using RecoMed digital bookings

- Connects your practice with a new digital audience seeking healthcare, leading to increased patient volume and revenue.
- Lists your practice on the digital booking channels of our website and app.
- Boosts your practice's visibility and ratings on Google.
- Reduces the number of phone calls and administrative tasks for your staff, freeing up time for more important tasks.
- Provides real-time booking, boosting patient satisfaction.
- Sends automated reminders to significantly reduce no-show rates, ensuring better appointment adherence.
- Linking seamlessly with all major practice management applications, allowing you to work on a single platform without having to manage multiple calendars and diaries.

We've partnered with RecoMed, South Africa's largest digital booking platform, to give you access to these benefits. RecoMed already has over 3,000 contracted healthcare providers on its platform, facilitating more than 100,000 bookings each month.

We're excited to announce that RecoMed is offering a free trial of their digital booking platform to health professionals.
