04 | How to qualify for your Discovery Miles pay-out

Your account must be in good standing

Complete the activities above and ensure your qualifying Discovery Bank account is in good standing at the time your Discovery Miles pay-out is due.

Good standing means that none of your Discovery Bank accounts and credit facilities are overdrawn, in arrears, in default, or subject to any legal process with Discovery Bank including keeping your [Know Your Client and Anti Money Laundering](#) information up to date. 'Legal process' excludes debt review as defined in the National Credit Act 34 of 2005.

Your account must not be dormant

You will need to meet or exceed the minimum R5 000 monthly spend required either in the same month of completing your Vitality Health Check and Vitality Active Rewards personalised health check goals, or in any one of the 3 calendar months before or after their completion. If you complete your Vitality Health Check and Vitality Active Rewards personalised health check goals in different months, the same minimum R5 000 monthly spend required may not count for both of them if their individual 3 calendar month windows for meeting the minimum monthly spend requirement do not overlap.

Only purchases made with your Discovery Bank credit card in-store and online and local and international purchases count towards the minimum spend requirement, and spend will not be calculated cumulatively across calendar months.

If you move from the previous Discovery Card to Discovery Bank and you complete your Vitality Health Check and Vitality Active Rewards personalised health goals within two month of upgrading to Discovery Bank, the amount you spent in the last month on the previous Discovery Card contribute towards the required minimum R5 000 spend.

When and where your Discovery Miles will be paid

Your Discovery Miles will be paid into your Discovery Miles account in the month after you qualified for the pay-out. You will be notified by SMS once the Discovery Miles have been paid to you.

Spend your Discovery Miles

You can spend your Discovery Miles on a range of exciting rewards in Vitality Active Rewards, in-store and online with our Discovery Miles partners, spend them on travel with kulula.com on flights and accommodation, convert them to use in partner travel programmes, use them to pay friends and family with Discovery Miles accounts, or monetise them to use as cash in whatever way you choose.
