Dear Investor

Proposed change of the Amity BCI Steady Growth Fund's investment policy

THIS LETTER IS IMPORTANT AND REQUIRES YOUR ATTENTION

The purpose of this letter is to inform you of and to obtain your approval to amend the Amity BCI Steady Growth Fund's investment policy to that of a fund of funds.

The investment manager, Amity Investment Solutions (Pty) Ltd, requested us to ballot investors to obtain your approval to change investment policy of the Amity BCI Steady Growth Fund's to a fund of funds portfolio.

The reasons being:

- Amity is of the opinion that a fund of fund investment strategy should allow them to easier and better diversify the portfolios and provide them with access to a wider range of potential underlying managers; and
- The portfolio's size is more suited to a fund of funds rather than being multi-managed for diversification purposes.

How does the proposed change in investment policy impact your investment?

All investors in the portfolios are given an opportunity to vote in favour of, or against the proposed amendment in the investment policy in terms of clause 67 of the Deed. For the ballot to be successful a response rate of at least 25% of total assets per portfolio is required, of which more than 50% should vote in support.

If successful, then the portfolio will no longer invest in direct securities and other portfolios. It will, apart from cash, invest in other portfolios only. This will allow Amity to diversify the portfolio by investing across a wider range of unit trust portfolios and therefore not be to the detriment of investors. The investment policy change will have no CGT impact.

Action required

Kindly study this document, complete the attached form and return it to our auditors by no later than **27 October 2021**. The similarities and differences between the portfolios are illustrated in *Annexure A*.

Amity will appreciate a vote in support.
