

Car seat discount terms and conditions

What is the Car seat discount?

As a Discovery Insure client with Vitality Drive, you could get up to 25% off the purchase price of a car seat for your child every year, based on your driving behaviour. The discount is available on selected car seats from our partners, Born Fabulous or Toys R Us, and is based on your Vitality Drive status at the time of claiming the reward.

Who may use the Car seat discount?

The Car seat discount benefit is available to all Vitality Drive primary drivers, subject to the following conditions:

- they are active Vitality Drive primary drivers at the time of selecting the benefit; and
- they have not claimed for the benefit in the last 12 months.

For example: If you qualify for the voucher on 1 April 2018 and claim it successfully on 15 May 2018, you are not able to claim another voucher again until 15 May 2019 (12 months from the date claimed).

How it works:

Step 1: Request your Car seat discount voucher

Activate the Car seat discount through the Discovery website: www.discovery.co.za

Step 2: Receive your voucher
