Understand how to maximise your discount

To get your discount, your optometrist must belong to one of our optometry networks. Qualifying networks include:

- Discovery Optometry Discount Network
- Discovery Diabetic Retinopathy Screening Network

You will receive a discount according to the network your optometrist is part of. This is how the discount works:

Optometry network your optometrist belongs to	Percentage (%) discount on selected spectacle frames
Optometrist is on the Discovery Optometry Discount Network	20%
Optometrist is on the Discovery Diabetic Retinopathy Screening Network	20%
Optometrist is on the Discovery Optometry Discount Network AND on the Discovery Diabetic Retinopathy Screening Network	40%

There are terms and conditions for the discount

You can get this discount through the Discovery diabetic retinopathy screening promotion provided you:

1. Are registered on the Chronic Illness Benefit (CIB) for diabetes
2. Go for a primary grading examination at an optometrist who is part of the Discovery Diabetic Retinopathy Screening Network

3. Choose a spectacle frame from your participating optometrist that is supplied to them by SDM Eyewear. The frames from SDM Eyewear may include brands such as Guess, Ted Baker, Polo, Swarovski, Timberland, Scotch & Soda, Soviet, and Max&Co. Availability depends on the brands stocked by your optometrist.
4. This promotion will be valid from 14 March 2022, you will then be able to purchase a qualifying spectacle frame.

The standard Discovery 20% discount is only available at optometrists in the Discovery Discount Networks and applies to prescription spectacles that meet qualifying Scheme criteria for clinical necessity.
