- Had no claims on your Purple Plan over the past 12 months (except SOS and windscreen claims).

Discovery Insure will issue a voucher to the value of **R10 000**. You can trade in your old cellphone or use your own funds to cover any additional amount needed for your new cellphone.

HOW IT WORKS

- Your upgrade must be done at a Cellucity store or iStore (from hereon, we will refer to these as 'the store').
- If you qualify, email the Discovery Insure Partners team at DIPartners@discovery.co.za and you will receive a voucher of R10 000 that you can use at the store.
- If you choose to trade in your existing cellphone, you must accept the trade-in value offered by the store for it. This will contribute to the purchase of your new cellphone.
- If the price of your purchase (including VAT) is more than the trade-in value of your existing cellphone plus the R10 000 (including VAT) contribution paid by Discovery Insure, you will have to fund the remaining amount owed to the store.
