What you need to know

6. Discovery Bank clients who received the promotion email between 30 March 2021 and 30 June 2021 must do the following before the campaign period ends on **30 June 2021 at 23:59**:
 - 6.1. Activate the [Vitality Active Rewards](#) with [Apple Watch benefit](#) and only pay a R10 admin fee. The normal Apple Watch activation fee of R999 will be waived for the duration of the campaign.
 - 6.2. The Vitality Active Rewards with Apple Watch benefit applies to **Apple Watch Series 6 (GPS)** Aluminum Case Sport 40mm or **Apple Watch SE (GPS + Cellular)** Aluminum Case Sport 40mm. Once you have collected your watch, get active to reach all your weekly Vitality Active Rewards exercise goals to fund your Apple Watch in full over 24 months.

6.3. The activation fee of R999 will also be waived for Vitality 65+ members who activate the Apple Watch benefit from now until 30 June 2021. The R10 admin fee will be refunded to Vitality 65+ members in the month following the successful activation of the Apple Watch benefit.

Download the Discovery app and activate Vitality Active Rewards with Apple Watch

7. Download or update to the latest version of the Discovery app on your iPhone. Then log in on your iPhone or go to the [Discovery website](#).
 - 7.1. Navigate to 'Vitality Active Rewards' and select 'Apple Watch'.
 - 7.2. Click on the 'Get started' button. Please note: Only one member per Vitality Health policy can activate this benefit every 24 months. Only a principal member, spouse or an adult dependent (who is 21 years and older) qualifies for the Apple Watch benefit on the Vitality Health policy.
 - 7.3. Follow the process as instructed by confirming your details and paying the admin fee using your qualifying Discovery Bank credit card. The admin fee will be deducted from your qualifying Discovery Bank credit card within 24 hours once you have activated the benefit.

Collect your Apple Watch using your proof of payment

8. Once you have successfully paid your admin fee, you will get a digital proof of payment, which you can access any time on your Discovery app.
9. Use your proof of payment to collect your Apple Watch Series 6 or Apple Watch SE at your nearest iStore. It cannot be used online.
10. If you'd like to select a different Apple Watch model, you need to pay the price difference upfront at the iStore.
11. Your Apple Watch proof of payment is not transferable. It cannot be exchanged for cash or any other iStore product.
12. Your proof of payment is only valid for 90 days from its date of issue. After 90 days, it will expire. You will then need to activate the benefit again and pay the R999 activation fee.
13. View the [Vitality Active Rewards with Apple Watch rules](#) for more information.

Link your Health app and your Apple Watch to Discovery Vitality to start earning Vitality points

-
14. Once you have collected your Apple Watch, link it to Vitality to start earning Vitality points towards your Vitality Active Rewards goals. Use the Discovery app to link your Apple Watch by navigating to the Vitality section and selecting *Devices and apps*.

Here's a step-by-step guide on how to link your Apple Watch:

Step 1: Make sure that your iPhone has the Health app and the latest version of the Discovery app installed. The Health app is available on iPhone (you need iPhone 6s or a later model to use Apple Watch).

Step 2: Log in to the Discovery app and navigate to the Vitality Active Rewards section and select *Devices and apps* from the Vitality menu.

Step 3: A confirmation page will pop up on your screen. Tap *Get started* to authorise the Health app and choose the data that you would like to share.

Step 4: Once you have confirmed the information you would like the Health app to share with Vitality, tap *Allow*. You can update the data permissions that you have given Vitality by using the Health app on your iPhone. To do this, open your Health app and select 'Discovery' from the apps under the Sources section. Then choose the workout information which you would like to share with Vitality. If you have any problems uploading your workout data, please visit the Health app website for more information.
