Earn up to 25% HealthyCare cash back with GoSmokeFree

Discovery Vitality aims to make our members healthier by encouraging positive behavioural changes. We have partnered with GoSmokeFree to help our members improve their overall health by stopping to smoke while rewarding them for doing so. As a Discovery Vitality member, you can get up to 25% cash back on HealthyCare items such as Nicorette gum and patches at your preferred partner and up to 10% cash back at the other HealthyCare partner.

What is the GoSmokeFree benefit:

GoSmokeFree is a fully supported stop-smoking programme that is available at participating Clicks and Dis-Chem pharmacies. The consultations are with a nurse who is trained as a GoSmokeFree adviser.

The GoSmokeFree programme consists of six sessions in total:

- **Session 1**
This is the assessment phase. Here the nurse will determine your readiness and ability to stop smoking with a pre-quit assessment. The nurse will also develop an individual plan for you to stop smoking.
- **Session 2**
Actual quit day
- **Session 3 - 6**
To improve your chances of success, you will have four one-on-one sessions with the nurse to support and guide you on your journey to stop smoking.
- You will have access to GoSmokeFree as part of the HealthyCare benefit and therefore get up to 25% cash back on the R399 once-off fee.
- Vitality members qualify for cash back for the GoSmokeFree programme fee a maximum of twice per calendar year.
- The smoking cessation aids (Nicorette gum and patches) will also form part of the HealthyCare benefit and will qualify for up to 25% cash back.
