Main rules for Discovery Vitality

- By joining Discovery Bank and activating Vitality Money and by paying the Discovery Bank monthly account fees and monthly Vitality Money premium, you agree to these main rules.
- As a Discovery Bank client with Vitality Money, we give you access to the specified benefits that you qualify for and choose to use in line with the terms and conditions set out in these main rules. Unless you are already a Vitality Health member, activating Vitality Money does not make you a Vitality Health member.
- You need to meet certain requirements to qualify for rewards as a Discovery Bank client with Vitality Money.
- In certain cases, you need to activate benefits and pay the necessary fees to enjoy rewards. We will notify you of what you need to do and how much it will cost. You can only use your Vitality rewards and specified benefits for personal use and not for business purposes.

1. Purpose of the Vitality Health and Vitality Money programmes

- 1.1. Discovery Vitality manages and administers the Vitality Health programme. Vitality Health rewards its members for looking after their health by giving them access to a range of benefits. A member's Vitality Health status, combined with other factors, determines the level of rewards they receive.

Discovery Vitality administers and manages these specified benefits. If you are a Vitality Health member and a Vitality Money member, your Vitality rewards are boosted based on your engagement with both the Vitality Money and the Vitality Health programmes.
- 1.4. If you are a Vitality Health member, your Vitality Health status and other factors determines the Vitality Health portion of your Vitality benefits. These factors include, but are not limited to, the completion of your Vitality Age assessment and your Vitality Health Check and Vitality Fitness Assessment.

As a Vitality Money member, your Vitality Money status and other factors determine the Vitality Money portion of your specified benefits. These factors

include, but are not limited to, your Discovery Bank product (account type and card colour) and your qualifying Discovery Bank credit card spend.

If you are a Vitality Money member and a Vitality Health member, your specified benefits are boosted further.

- 1.5. If you meet the qualifying requirements for Vitality Money rewards, you may have access to the following limited specified benefits, these benefits may change from time to time:
- a. HealthyFood benefit

5.2. Extra charges for using benefits

There may be extra charges for using certain partners or benefits. The fees may be due to third parties or directly to Discovery Vitality and may include, but not be limited to:

6. Vitality benefits

6.1. Who can use the specified benefits?

6.2. When Vitality Money members can start using the specified benefits

You can start using the specified benefits from the date when you have an active qualifying Discovery Bank account with Vitality Money. Please ensure that you view your individual benefit guides to see which specified benefits you qualify for.

To enjoy the maximum rewards on your specified benefits, you must first activate your Vitality Money programme membership. You will need at least one full calendar month's spend on your qualifying Discovery Bank credit card before we allocate rewards to you

or you use certain specified benefits. If you moved your previous Discovery Card to a qualifying Discovery Bank product, we will take the qualifying spend history on your previous Discovery Card into consideration for your specified benefits. 6.3. Waiting periods for new members

- 6.3.1. Discovery Vitality may apply waiting periods to new Vitality Money members for certain benefits. - 6.3.2. If you are also a Vitality Health member, the waiting periods that apply to the Vitality Health programme will also apply. The two waiting periods may differ depending on when you joined the Vitality Health programme and Discovery Bank.

On some benefits you may have to use a partner's facility for a specified minimum number of times. Failing to meet these minimum-use rules could result in your rights to the benefits changing or ending. See the [benefit rules](#).

6.6. Responsible use of benefits

- 6.6.1. The Vitality Money programme is designed to help Discovery Bank clients become financially healthier and reward them with various benefits, including the specified benefits. Should we find your actions be found to be inconsistent with the principles of the Vitality Money programme including but not limited to fraud, dishonesty, abuse, misuse of benefits, inappropriate behaviour, we reserve the right to implement corrective measures to uphold the integrity of the programme.

- 6.6.2. Excessive returns, refunds, or usage of benefits that are deemed to be disproportionate or inconsistent with the intended purpose or spirit of the programme or benefit may be considered as abuse of the programme.
- 6.6.3. To address the aforementioned issues, we may take one or more of the following actions:
 - a. adjust the usage limits of the benefit for the member in question.
 - b. terminate a member's Vitality membership in accordance with clause 11.
 - c. implement other appropriate measures as deemed necessary by Vitality.
- 6.6.4. Please report any of the abovementioned behaviours by contacting Discovery's fraud line.

 - Emailing discovery@tip-offs.com.

6.7. Payments and Set-off

- 6.7.1. Discovery Vitality will use its best endeavours to pay out rewards due to you according to the Vitality Money rules. However, if you fail to claim your reward within 12 months from the date it is due, it will expire. These rewards includes but is not limited to cashbacks, discounts, Discovery Miles, and/or vouchers.
- 6.7.2. You agree that you will have to pay back Discovery Vitality if we pay you any amount through an administrative error or any other error. This applies to any amount which you are not entitled to in terms of these main rules or any of Discovery Vitality's benefit rules.
- 6.7.3. You agree that Discovery Vitality may set off any amount paid to you in error against any current or future cash backs, refunds or Discovery Miles allocations you may be entitled to receive in terms of:
 - These main rules
 - Any of Discovery Vitality's benefit rules.

This includes cash backs, refunds or Discovery Miles allocations for Vitality benefits you may be entitled to through your Vitality Health membership.

- 6.7.4. You agree that Discovery Vitality may set-off any amounts owed by you against any other Vitality benefits you may have. This includes but is not limited to cash backs, refunds, Discovery Miles allocations, credits, usages,

allocations, and/or penalties due for Vitality benefits you may be entitled to through your Vitality membership.
