Life-wrapped fund can hold a certain portion of your assets in cash. While the investment strategy seeks to minimise the impact of cash holdings over time, investors should be aware that short-term returns may sometimes be impacted by small cash holdings, if cash returns are lower than the return of the underlying fund. Additionally, the fund's Net Asset Value and hence returns may fluctuate slightly because of large inflows and outflows of capital.

Discovery Retirement Funds (the Fund) refer to the Discovery Life Pension Umbrella Fund and Discovery Life Provident Umbrella Fund. Discovery Life Limited. Registration number 1966/003901/06, is a licensed long-term insurer, and an authorised financial services and registered credit provider and licensed section 13B administrator.
