

**INVESTMENT OBJECTIVE**

The portfolio aims to deliver a moderate long-term total return. The portfolio will have investment instrument exposure across multiple asset classes in order to ensure portfolio diversification and therefore risk reduction.

**INVESTMENT POLICY**

On a look through basis, the portfolio's equity exposure will range between 0% and 60% of its asset value. Investments to be included in the portfolio will, apart from assets in liquid form, consist of participatory interests and other forms of participation of local and global collective investment schemes, investing in amongst others equity securities, property securities, non-equity securities, money market instruments, preference shares, listed and unlisted financial instruments, bonds and other interest bearing instruments and securities. To the extent that the assets in the portfolio are exposed to exchange rate risk, the manager may enter into financial transactions for the exclusive purpose of hedging such exchange rate risk subject to the conditions and limits as stipulated by the Act.

## INFORMATION AND DISCLOSURES

### Risks

Certain investments - including those involving futures, options, equity swaps, and other derivatives may give rise to substantial risk and might not be suitable for all investors. Where foreign securities are included in the portfolio there may be additional risks such as potential constraints on liquidity and repatriation of funds, macroeconomic risk, political risk, foreign exchange risk, tax risk, settlement risk as well as potential limitations on the availability of market information.

### \* Total Expense Ratio (TER)

Please note: A higher TER ratio does not necessarily imply a poor return, nor does a low TER imply a good return. The current TER cannot be regarded as an indication of future TER's. Transaction Costs are a necessary cost in administering the Fund and impacts Fund returns. It should not be considered in isolation as returns may be impacted by many other factors over time including market returns, the type of Fund, the investment decisions of the investment manager and the TER. The prior year ("PY") TER and Transaction cost calculations are based upon the portfolio's direct costs for the financial year ended 31 December 2025, whilst the underlying portfolios' ratio and cost calculations are based upon their most recent published figures, being 31 December 2025.

### Effective Annual Cost:

Boutique Collective Investments adopted the ASISA Standard on Effective Annual Cost ("EAC"). The EAC measure allows you to compare charges on your investments as well as their impact on your investment returns prior to investing. For further information regarding the ASISA Standard on Effective Annual Cost and access to the EAC calculator please visit our website at [www.bcis.co.za](http://www.bcis.co.za). BCI calculates the EAC as per the ASISA standard for a period of 3 years up till the most recent TER reporting period.

#Monthly Fixed Admin Fee: R15 excl. VAT which will apply to all direct investor accounts with balances of less than R100 000 at month end, unless an investor transacts online, in which case no such fee will be levied.

### Total Investment Charges

* Total Expense Ratio (TER)	Transactional Cost (TC)	Total Investment Charge (TER & TC)
2.24%	0.13%	2.37%
Of the value of the Fund was incurred as expenses relating to the administration of the Fund.	Of the value of the Fund was incurred as costs relating to the buying and selling of the assets underlying the Fund.	Of the value of the Fund was incurred as costs relating to the investment of the Fund.

### FAIS Conflict of Interest Disclosure

Please note that your financial advisor may be a related party to the co-naming partner and/or BCI. It is your financial advisor's responsibility to disclose all fees he/she receives from any related party. The portfolio's TER includes all fees paid by portfolio to BCI, the trustees, the auditors, banks, the co-naming partner, underlying portfolios, and any other investment consultants/managers as well as distribution fees and LISP rebates, if applicable. The portfolio's performance numbers are calculated net of the TER expenses. The investment manager earns a portion of the service charge and performance fees where applicable. In some instances portfolios invest in other portfolios which form part of the BCI Scheme. These investments will be detailed in this document, as applicable.

### DISCLAIMER

Boutique Collective Investments (RF) (Pty) ("BCI") Ltd is part of the Apex Group Ltd. BCI is a registered Manager of the Boutique Collective Investments Scheme, approved in terms of the Collective Investments Schemes Control Act, No 45 of 2002 and is a full member of ASISA. Collective Investment Schemes in securities are generally medium to long term investments. The value of participatory interests may go up or down and past performance is not necessarily an indication of future performance. BCI does not guarantee the capital or the return of a portfolio. Collective Investments are traded at ruling prices and can engage in borrowing and scrip lending. A schedule of fees, charges and maximum commissions is available on request. BCI reserves the right to close the portfolio to new investors and reopen certain portfolios from time to time in order to manage them more efficiently. Additional information, including application forms, annual or quarterly reports can be obtained from BCI, free of charge. Performance fees are calculated and accrued on a daily basis based upon the daily outperformance, in excess of the benchmark, multiplied by the share rate and paid over to the manager monthly. Performance figures quoted for the portfolio are from Morningstar, as at the date of this minimum disclosure document for a lump sum investment, using NAV-NAV with income reinvested and do not take any upfront manager's charge into account. Income distributions are declared on the ex-dividend date. Actual investment performance will differ based on the initial fees charge applicable, the actual investment date, the date of reinvestment and dividend withholding tax.
