

Instant travel rewards on the Vitality Active Rewards gameboard

1. Overview

Vitality Travel

In 2022, Vitality will launch a new travel offering where qualifying Discovery clients can book their entire holiday experience through an all-new integrated travel platform offering a seamless end-to-end booking experience. Vitality members can get up to 75% off local and international flights, 25% off accommodation and car hire and 15% off holiday packages. See the [Discovery website](#) for more information on the new Vitality Travel booking platform, exclusive to Discovery Bank.

2. Effective dates

The Vitality Active Rewards gameboard campaign should run for two weeks, starting from Saturday 18 December 2021. If members achieve any of their Vitality Active Rewards exercise, drive, or money goals from 18 to 24 December 2021 or 25 to 31 December 2021, they will be eligible to play the “special travel gameboards”. These gameboards will be available to play from Wednesday, 29 December 2021 to Tuesday, 11 January 2022. From 12 January 2022, the gameboards will return to normal.

3. How to play

One of the tiles on each board will be an instant travel reward token. You need to use this token to select the corresponding reward. You will have up until 31 January 2022 to select the reward.

Once the reward is selected, it will be valid for 3 months, except for the 10 000 Discovery Miles travel reward which will be valid for 6 months.

Example: If you reveal a backpack instant reward token, you will have until 31 January 2022 to select the corresponding Cape Union Mart R250 reward using the backpack token. Once selected, the reward will be valid for 3 months from date of selection.

4. Rewards

The rewards available to win will require that:

- Instant travel reward tokens are available under certain tiles on the VAR gameboard.
