

Apple Music subscription | Frequently Asked Questions

1. What is the Apple Music subscription benefit?

Cue the music – Discovery Vitality has a new special offer to help you stay inspired to achieve your goals. All first-time subscribers to Apple Music get a free, no commitment three-month trial. Add your Discovery Vitality free one month subscription code, and that's up to four months of exclusive access to 60 million songs! If you already have Apple Music or are coming back to Apple Music, you will also get one month free. That's music to your ears.

2. What is Apple Music?

Apple loves music. With iPod and iTunes, Apple revolutionized the music experience by putting a thousand songs in your pocket. Today, Apple Music takes this to the ultimate with over 60 million songs, thousands of playlists, and daily selections from the world's best music experts, including all of the artists and hosts broadcasting daily across its Apple Music 1, Apple Music Hits, and Apple Music Country global live streams. Since 2015, Apple Music has welcomed tens of millions of subscribers in 167 countries. Streaming seamlessly to iPhone, iPad, iPod, Apple Watch, Apple TV, Mac, HomePod, and CarPlay, Apple Music is the most complete music experience on the planet. Apple Music is a registered trademark of Apple Inc.

3. Who can use the Apple Music subscription offer

The Apple Music subscription offer is open to all South Africans. This special offer will only be available for individual subscriptions – family and student subscriptions are not included.

- New Apple Music subscribers get a free three-month trial in addition to 1 month free.
- Former and existing users get 1 month free.

4. How long will be the offer be available?

The Apple Music offer will run from **29 September 2020** until **31 March 2021**. Any sign-ups made before or after these dates will not be considered.

Your one month free Apple Music subscription code expires on 31 July 2021.

5. What do you pay?

There are no costs involved in signing up for the Apple Music subscription offer apart from what you may spend on data when you download or update the Apple Music app.

In terms of Apple's terms and conditions, your Apple Music plan automatically renews at R59.99/month after free offer period until cancelled. The subscription fee of R59.99/month is correct at the time of publishing, however is subject to change at the sole discretion of Apple.

6. How to redeem your Apple Music subscription offer?
