

Enjoy great rewards with the Vitality Drive programme

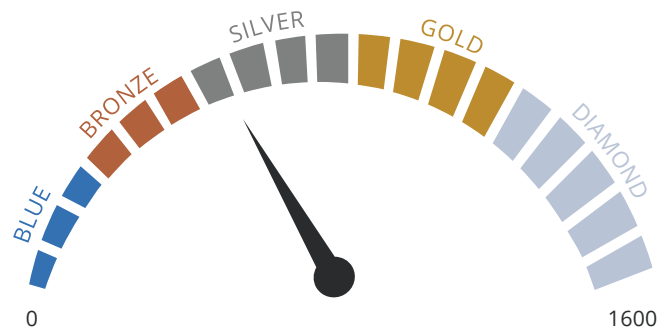

As a client with Vitality Drive you qualify for more rewards.

Earning these rewards is easy. All you have to do is drive well and earn Vitality Drive points. The more Vitality Drive points you earn, the higher your Vitality Drive status, the more rewards you'll get.

YOUR VITALITY DRIVE STATUS

You can earn up to 1 600 Vitality Drive points a month. You will get a Vitality Drive status at the end of each month based on your Vitality Drive points. The more Vitality Drive points you earn, the higher your Vitality Drive status. The five Vitality Drive statuses are:

Vitality Drive status	Vitality Drive points needed
Blue	0 to 299
Bronze	300 to 599
Silver	600 to 999
Gold	1 000 to 1 600
Diamond	At a monthly average of 1000 or more points of 1 000 points and claim free over the last 12 month period

You can earn Vitality Drive points by driving well, improving your driver behaviour, knowledge and awareness, and by making sure your vehicles are safer to drive. For more information about how to maximise your Vitality Drive points and earn the Diamond status, [click here](#).
