Premium protection and home support when you need it most

COMPREHENSIVE PREMIUM PROTECTOR

The Comprehensive Premium Protector will make sure that you and your family can continue the membership of your medical scheme, Vitality and Discovery Gap Cover products in the event of a qualifying severe illness, disability or death.

Loss of income and the additional costs that accompany a life-changing event could make it difficult for you to pay your monthly expenses.

This benefit pays these contributions for up to two years after a qualifying life-changing event.

The Comprehensive Premium Protector also gives you the option to upgrade to a Classic Comprehensive Plan (if you are with the Discovery Health Medical Scheme) or an equivalent plan on your medical scheme while you receive a claim payout, subject to your medical scheme's rules. This enhances your family's protection against unforeseen health events.

This benefit will also cover a baby born to you and your spouse within nine months of the benefit payment start date. The Comprehensive Premium Protector will not cover any other new members that you add to your medical scheme while you are receiving a claim payout.

The Comprehensive Premium Protector benefit payments will be paid directly to your medical scheme.

HOME SUPPORT BENEFIT

The Home Support Benefit pays you a monthly amount of R12 500 for a year if you or your spouse experience a qualifying life-changing event that results in a loss of ability to perform a certain number of Activities of Daily Living. This amount can be used as you see fit.

Activities of Daily Living are routine activities like eating, bathing and dressing that people usually do without needing assistance.

If there is a severe illness in your family, one of your family members may have to stop working to care for the affected person. You may also need to employ someone to help at home.

PAYBACK BENEFIT

Our shared-value approach to insurance enables us to reward you for living a healthier, safer and more active life.

With the Discovery Supplementary Illness Benefit, you can receive an Annual PayBack of up to 25% of the total premiums paid over the calendar year. The value is based on how you manage your health and driving behaviours. It is paid to you at the beginning of each year.

Vitality Drive status	VITALITY STATUS				
	None/Blue	Bronze	Silver	Gold	Diamond
