HOW TO EARN A VITALITY STATUS

Earn Vitality points by getting active, eating well, and doing all your health checks. The healthier you get, the higher your Vitality status.

At the start of every year, your Vitality points reset to zero but you still keep the status level that you earned the previous year. This is to help encourage consistent engagement with your health.

	BLUE	BRONZE	SILVER	GOLD	DIAMOND
1 adult	Start on Blue Vitality status	7,500	25,000	40,000	50,000

Additional adult dependants		3,750	12,500	20,000	25,000

How to earn Vitality points

You can earn Vitality points every time you take a step towards knowing and improving your health. All these points accumulate to your Vitality Health status.

Points you can earn as an adult member on the Vitality programme

VITALITY HEALTH CHECK

Your Vitality Health Check includes:

- 02** | Blood glucose
- 03** | Cholesterol
- 04** | Weight assessment
- 05** | Non-smoker's declaration

Earn up to 22,500 Vitality points based on how many of your results are in range and how many of them may indicate a greater risk of developing a lifestyle-related disease.
