

**CHRONIC ILLNESS
BENEFIT MEDICINE
LIST (FORMULARY)**

2024

Important information you need to know

We may change information about the way we pay for medicine as described in this document from time to time. If we do make changes, we will communicate these changes to the Flexicare network GPs and network pharmacies.

Explanation of terms

Active ingredient

This is the main substance in a medicine that is responsible for the clinical action in a human body.

Benefit year

A benefit year refers to the benefits a member is entitled to during a calendar year, that is to say 1 January to 31 December. This chronic medicine list is applicable for 2024 only.

Medicine class

This describes medicine that have similar chemical structures or similar therapeutic effects.
