## Nominate a primary care provider to manage your chronic condition(s)

If you are approved for a Prescribed Minimum Benefit (PMB) condition, you must nominate a general practitioner (GP) in the Discovery Health GP network for your plan to be your primary care doctor for the management of your chronic conditions. You can nominate your primary care doctor in three simple steps.

- Log in to the Discovery app or [website](#)
- Navigate to nominate a primary care doctor
- Follow the prompts in the Care Portal and select your primary care doctor and their associated practice.

You can access your Care Portal on the Discovery app or website to update your nominated GP should you need to do so.

*(The Discovery app is brought to you by Discovery Health (Pty) Ltd; registration number 1997/013480/07, an authorised financial services provider and administrator of medical schemes.)*

## Patients acceptance and permission

I give permission for my healthcare provider to provide Discovery Health Medical Scheme and the administrator with my diagnosis and other relevant clinical information required to review my application. I agree to my information being used to develop registries. This means that you give permission for us to collect and record information about your condition and treatment. This data will be analysed, evaluated and used to measure clinical outcomes and make informed funding decisions.

I understand that:

1. Funding from the Prescribed Minimum Benefit (PMB) is subject to meeting benefit entry criteria as determined by Discovery Health Medical Scheme.
2. The Prescribed Minimum Benefit (PMB) provides cover for disease-modifying therapy only, which means that not all medicines for a listed condition are automatically covered by Prescribed Minimum Benefits (PMBs).
3. By registering for Prescribed Minimum Benefits (PMBs), I agree that my condition may be subject to disease management interventions and periodic review and that this may include access to my medical records.
4. Funding for treatment from Prescribed Minimum Benefit (PMB) will only be effective from when Discovery Health Medical Scheme receives an application form that is completed in full.
5. An application form needs to be completed when applying for a new Prescribed Minimum Benefit (PMB) condition.
6. If you are approved on the benefit, you need to let us know when your treating doctor changes your treatment plan so that we can update your Prescribed Minimum Benefit (PMB) authorisation/s. You can do this by emailing the new prescription to us or asking your doctor or pharmacist to do this for you.
7. To make sure that we pay your claims from the correct benefit, we need the claims from your healthcare professional to be submitted with the relevant ICD-10 diagnosis code(s). Please ask your doctor to include your ICD-10 diagnosis code(s) on the claims they submit and on the form that they complete when they refer you to the pathologists and/or radiologists for tests. This will enable the pathologists and radiologists to include the relevant ICD-10 diagnosis code(s) on the claims they submit, ensuring that we pay your claims from the correct benefit.

**Consent for processing my personal information**

I give the Scheme and the administrator consent to have access to and process all information (including general, personal, medical or clinical information) that is relevant to this application. I understand that this information will be used for the purposes of applying for and assessing my funding request for Prescribed Minimum Benefits (PMBs). I consent to the Scheme and the administrator disclosing, from time to time, information supplied to them (including general, personal, medical or clinical information) to my healthcare provider and to relevant third parties, to administer the Prescribed Minimum Benefits (PMBs) as well as undertake managed care interventions related to the Prescribed Minimum Benefit (PMB) condition. Withdrawing consent for your general, personal, medical or clinical information to be accessed or shared with relevant third parties, means that you will no longer have access to funding from the applicable disease management benefits. Claims which would usually be funded from the disease management benefits will, once consent is withdrawn, be funded from other available benefits according to the rules of your plan. Should you wish to withdraw consent, then please call 0860 99 88 77.
