9. Your health questions

Information on symptoms, conditions or disorders (must be completed for the main applicant, spouse/partner and all dependants and must include information on conditions even if covered or not on previous memberships)

We use this information only for lawful purposes, for example, enabling us and our administrator to process your application and to optimally administer your membership, to verify whether the information you provide on this application form is true and complete, to provide you with customized information relevant to your health status, to develop disease management programs for specific conditions, to review and enhance Scheme benefits, to improve Scheme's financial modeling, to assist the Scheme to better assess and mitigate its risk (which includes whether to impose a waiting period on your membership) and any other relevant uses.

Please note that the Council for Medical Schemes has oversight over any irregular use of your or your dependant's health information.

Please also note that the Medical Schemes Act restricts the ability of the Scheme to impose waiting periods. Information disclosed by you relating to health conditions prior to the preceding 12 months can serve as a basis for the Scheme requiring that you undergo a medical examination, at the Scheme's cost. Should that medical examination reveal a current health condition, waiting periods may be applied in respect of such current condition.

Below we require you to advise us about whether **you or any dependant/s** specified in this application **at any time** have experienced, been treated/investigated for, or are you currently suffering from any of the following symptoms, conditions or disorders? Please take note further that any indication of existing medical conditions on this application does not automatically enrol you/your dependants onto the Scheme's Disease Management programme. For more information with regards to the Schemes disease management enrollment visit www.discovery.co.za.

In accordance with the Medical Schemes Act, we ask you to make sure that you disclose true and complete information to the Scheme. It is always better to disclose too much than too little.

Giving false information may lead to criminal charges being brought against you. You will have to pay any amount owing to the Scheme as a result of your membership being cancelled for this reason.

11.5. About becoming a member

The Scheme might not pay for certain expenses immediately after you become a member

The Scheme may have waiting periods that apply in certain circumstances. This means there may be a set time period before the Scheme starts paying for any general or specific medical conditions. We will let you know if any waiting periods apply. Please speak to your financial adviser or the Administrator about any waiting periods that apply to your membership and the memberships of those you apply for.

Resign from current medical schemes when accepted

It is illegal to be a member of more than one medical scheme at the same time. You and those you apply for must resign from your current medical schemes when you receive notice from the Scheme by letter, email or SMS telling you that you and those you apply for have been accepted.

You must make sure contributions are paid on time

As the main member of the Scheme, you are responsible for making sure that your contributions and the contributions of those you apply for are paid on time every month to avoid suspension of benefits. The Scheme has the right to change monthly contributions and benefits from time to time with prior notification.

11.6. Repaying money owed to the Scheme

The Scheme has the right to collect from you any amount that you owe at any time. We will notify you if there is any amount that you owe to the Scheme.

You must repay any medical savings owing if you leave the Scheme

When you become a member, depending on the plan you choose, you may have money available in advance to use for medical expenses during the year. This money is allocated to an account called the 'Medical Savings Account'. If you leave the Scheme before the year ends, you must repay the portion of medical savings you have used that is more than you have paid back to the Scheme over the year.

By signing this form, you agree that any money you owe to the Scheme may be deducted from any future claim payment amounts that are due to be paid to you. You will be able to identify the debit order for the money owing to the Scheme on your bank statement by the reference number 'DISCSETTLE'.

- I undertake to tell Discovery Health in writing of any changes to my account details and acknowledge that Discovery Health will not be held responsible or liable for any claim, loss or harm that I or any third party may suffer because I have given the incorrect banking details here, or if the bank account is in the name of another person or entity, or because I did not tell Discovery Health about a change in banking details, or if the bank account does not have enough funds to meet my obligations in terms of the Agreement.
- I know and understand that the withdrawals I authorise here will be processed through a computerised system offered by South African banks. The details of each withdrawal from my bank account will be printed on my bank statement and must show the reference number of the membership on the Agreement so I can identify this membership.
- I acknowledge that although this Authority and Mandate may be ended by me, that will not necessarily end this Agreement. If it is ended, I am not entitled to any refund of any premiums or amounts due that were withdrawn by Discovery Health while this Authority and Mandate was in force, if the premiums or amounts were legally owing to Discovery Health in terms of the Agreement.
- I acknowledge that by signing this Authority and Mandate I am bound by the payment terms applicable to this Agreement.
- I acknowledge that this Authority and Mandate may be assigned to a third party if this Agreement is also assigned to a third party.
