How would you like us to refund claims from the Medical Saving Account if your plan has one? Discovery Health Rate Cost

Discovery Health Rate is the medical scheme rate subject to funds available.

Cost is the full amount of the claim subject to funds available.

You have the right to ask for help in selecting a health plan that suits your needs. Whether you have requested help or made the decision on your own, by signing this application, you confirm that you are familiar with the conditions and benefits of the plan you select.

When you make a claim that is eligible for payment, the Scheme will use the money available in your Medical Savings Account (MSA) to pay for it. Your MSA is a combination of your annual MSA allocation, which is the amount of money you receive at the start of each year, and your accumulated MSA, which is the money that you didn't spend in previous years and that carried over to the current year.

6. If you choose a KeyCare plan

Please complete this section if you have chosen a KeyCare plan.

Income is defined as guaranteed gross monthly earnings of the main member and the spouse before deductions. If you have selected a KeyCare plan, we will need to verify your income.

Declaring income lower than your actual income is fraud. This may lead to the termination of your membership and criminal charges may be brought against you. If your income is not declared, your income verification status will default to the highest income band. It is your responsibility to give accurate income information, otherwise the Scheme may not be in a position to pay back the excess amount you paid.

You must make sure contributions are paid on time

As the main member of the Scheme, you are responsible for making sure that your contributions and the contributions of those you apply for are paid on time every month to avoid suspension of benefits. The Scheme has the right to change monthly contributions and benefits from time to time with prior notification.

The Scheme has the right to collect from you any amount that you owe at any time. We will notify you if there is any amount that you owe to the Scheme.

You must repay any medical savings owing if you leave the Scheme

This money is allocated to an account called the 'Medical Savings Account'. If you leave the Scheme before the year ends, you must repay the portion of medical savings you have used that is more than you have paid back to the Scheme over the year.

By signing this form, you agree that any money you owe to the Scheme may be deducted from any future claim payment amounts that are due to be paid to you. You will be able to identify the debit order for the money owing to the Scheme on your bank statement by the reference number 'DISCSETTLE'.
