- How to get the most out of your cover

## About some of the terms we use in this document

TERMINOLOGY	DESCRIPTION
Additional Disease List (ADL)	Depending on your plan, and once approved on the Chronic Illness Benefit (CIB), you have cover for medicine for an additional list of life-threatening or degenerative conditions, as defined by us.
Chronic Disease List (CDL)	A defined list of chronic conditions we cover according to the Prescribed Minimum Benefits (PMBs).
Chronic Drug Amount (CDA)	The Chronic Drug Amount is a monthly amount we pay for each medicine class. This applies to chronic medicine that is not listed on the formulary or medicine list. The Chronic Drug Amount (CDA) does not apply to the Smart and KeyCare plans, on these plans the cost of the lowest formulary listed drug will apply.
Chronic Illness Benefit (CIB)	The Chronic Illness Benefit (CIB) covers you for a defined list of chronic conditions. You need to apply to have your medicine covered for your approved chronic condition.
Co-payment	This is an amount that you need to pay towards a healthcare service. The amount can vary by the type of covered healthcare service, place of service or if the amount the service provider charges is higher than the rate we cover.
Designated service provider (DSP)	A healthcare provider (for example doctor, specialist, allied healthcare professional, pharmacist or hospital) who we have an agreement with to provide treatment or services at a contracted rate. Visit <a href="http://www.discovery.co.za">www.discovery.co.za</a> or click on Find a healthcare provider on the Discovery app to view the full list of DSPs.
Discovery Health Rate (DHR)	This is a rate we pay for healthcare services from hospitals, pharmacies, healthcare professionals and other providers of relevant health services.
Discovery Health Rate for Medicine	This is the rate at which Discovery Health Medical Scheme will pay for medicine. It is the Single Exit Price of medicine plus the relevant dispensing fee.
Emergency medical condition	An emergency medical condition, also referred to as an emergency, is the sudden and at the time, unexpected onset of a health condition that requires immediate medical and surgical treatment, where failure to provide medical or surgical treatment would result in serious impairment to bodily functions or serious dysfunction of a bodily organ or part or would place the person's life in serious jeopardy. An emergency does not necessarily require a hospital admission. We may ask you for additional information to confirm the emergency.
HealthID	HealthID is an online digital platform that gives your doctor fast, up-to-date access to your health information. Once you have given consent, your doctor can use HealthID to access your medical history, make referrals to other healthcare professionals and check your relevant test results.
ICD-10 diagnosis code	A clinical code that describes diseases and signs and symptoms, abnormal findings, complaints, social circumstances and external causes of injury or diseases, as classified by the World Health Organization (WHO).
Medicine class	This describes medicines that have similar chemical structures or similar therapeutic effects.

## The Chronic Illness Benefit (CIB)

### The Chronic Illness Benefit (CIB) covers approved treatment for a specified list of chronic conditions

The number of chronic conditions covered varies according to your plan type. All health plans cover the chronic conditions that fall under the Prescribed Minimum Benefit (PMB) Chronic Disease List (CDL). The CIB also covers a specific number of tests, procedures and consultations for both the diagnosis and the ongoing management of the CDL conditions.

### The Executive and Comprehensive plans cover additional chronic conditions

We cover additional conditions over and above those stipulated under the Chronic Disease List (CDL) on the Executive and Comprehensive plans. We pay for approved medicine for these additional chronic conditions up to a monthly amount called the Chronic Drug Amount (CDA). This benefit for cover for additional chronic conditions is not available on the Classic Smart Comprehensive Plan. Members on the Executive Plan also have exclusive access to a list of medicines that we cover in full.

### You have full cover for approved medicine on our medicine list for Chronic Disease List (CDL) conditions

The Chronic Illness Benefit (CIB) covers approved medicine listed on the medicine list (formulary) for CDL conditions and obtained from a network pharmacy up to the Discovery Health Rate (DHR) for medicine. The Scheme updates the medicine list (formulary) annually in response to product and price fluctuations in the market. Always make sure that you are using the latest document. Up to date documents and forms are always available on [www.discovery.co.za](http://www.discovery.co.za) under Medical Aid > Manage your health plan > Find important documents and certificates.

### You have a monthly amount for approved medicine that is not on our medicine list

We cover approved medicine that is not on the medicine list, or a combination of medicine on and off the medicine list that are in the same medicine class, up to the Chronic Drug Amount (CDA). The CDA does not apply to the Smart and KeyCare plans. On these plans, we cover up to the Reference Price, which is up to the lowest cost medicine of the same kind on our medicine list for the condition. You may have a co-payment if you use medicine that is not on the medicine list.

The tests and consultations for the ongoing management of the condition are pro-rated based on the date of approval of your CDL condition. You can find the latest copy of the treatment baskets on [www.discovery.co.za](http://www.discovery.co.za) under Medical Aid > Manage your health plan > Find important documents and certificates.

If you do not use our designated service providers or healthcare providers who we have a payment arrangement with, you may have to pay part of the treatment costs yourself.

### Funding for claims from the correct benefits

To make sure that we pay your claims from the correct benefit, we need the claims from your healthcare providers to be submitted with the relevant ICD-10 diagnosis codes. Please ask your doctor to include your ICD-10 diagnosis codes on the claims they submit and on the form that they complete, when they refer you to pathologists and radiologists for tests related to your approved condition. This will enable pathologists and radiologists to include the relevant ICD-10 diagnosis codes on the claims they submit to make sure that we pay your claims from the correct benefits.

You can also go to [www.discovery.co.za](http://www.discovery.co.za) under Medical Aid > Manage your health plan > Find important documents and certificates to view more information on the CIB.

## Apply to have your condition covered

For a condition to be covered from the Chronic Illness Benefit (CIB), there are certain benefit entry criteria the member needs to meet. You need to apply for each chronic condition to be covered from the CIB. We will only pay for the medicine and treatment from the CIB if your condition and medicine is approved.

You or your doctor may need to provide extra information or certain test results to confirm the diagnosis of the condition you are applying for. The information we require to complete the review of your application is indicated on the CIB application form for the conditions you are applying for.

You can send the completed Chronic Illness Benefit (CIB) application form:

- By email to: [CIB\\_APP\\_FORMS@discovery.co.za](mailto:CIB_APP_FORMS@discovery.co.za)
- By post to: Discovery Health, CIB Department, PO Box 652919, Benmore, 2010.

Alternatively, your doctor can submit a CIB application through HealthID, provided that you have given consent to do so. You can give your doctor consent to access your Electronic Health Record here. We do not cover experimental, unproven or unregistered treatments or practices.

## You need to let us know when your treatment plan changes

You do not have to complete a new Chronic Illness Benefit (CIB) application form when your treating doctor changes your medicine during the management of your approved chronic condition, however, you do need to let us know when your doctor makes these changes to your treatment so that we can update your authorisation. You can email the prescription for changes to your treatment plan for an approved chronic condition to [CIB\\_APP\\_FORMS@discovery.co.za](mailto:CIB_APP_FORMS@discovery.co.za). Alternatively, your doctor can submit changes to your treatment plan through HealthID, provided that you have given consent to do so. If you do not let us know about changes to your treatment plan, we may not pay your claims from the correct benefit.

Should you be diagnosed with a new chronic condition, you must complete a new Chronic Illness Benefit (CIB) application for the newly diagnosed condition.

## We will let you know if we approve your application for cover on the Chronic Illness Benefit (CIB) and what you must do next

We will send an email outlining our funding decision to the email address you provided on your application form or your doctor provided on HealthID.

Once your treatment is approved, you will immediately qualify for funding from the CIB. The medicine authorisation will remain in place until it expires, you stop claiming for the medicine or the membership is terminated.

## You must register for cover on the Chronic Illness Benefit (CIB)

Should you elect not to register for the CIB, the medicine and ongoing management of the condition will be paid from your available day-to-day benefits, where applicable.

## Get your chronic medicine from our designated service providers (DSPs)

If you are on the Delta Comprehensive, Priority, Saver, Smart or Core plans, you need to use a MedXpress Network Pharmacy to get your approved chronic medicine to avoid a 20% non-designated service provider (non-DSP) co-payment. ## PRIORITY SERIES

### **Medicine for approved Chronic Disease List (CDL) conditions**

The Chronic Illness Benefit (CIB) covers approved medicine listed on the medicine list (formulary) for the Prescribed Minimum Benefit (PMB) Chronic Disease List (CDL) conditions in full up to the Discovery Health Rate (DHR) for medicine at a network pharmacy, or dispensing GP.

We cover approved medicine not on the medicine list (formulary) up to a monthly Chronic Drug Amount (CDA) that has been allocated for that medicine class.

### **Tests to diagnose your Chronic Disease List (CDL) condition**

If you have been recently diagnosed with and approved for cover for a Chronic Disease List (CDL) condition, we will pay for the tests and procedures in the diagnostic treatment basket in full. We will also pay in full for the consultation with the healthcare provider who made the diagnosis. We will only pay for these tests, procedures and consultations provided that you were an active and valid member of the Scheme at the time of the diagnosis and the relevant ICD-10 diagnosis codes are on the claim. Please ask your doctor to provide the date of diagnosis of your condition(s) on the Chronic Illness Benefit (CIB) application form to assist us to pay your claims from the correct benefit.

If the diagnosis is not for a Chronic Disease List (CDL) condition, we will pay the claims from the available funds in your day-to-day benefits.

### **GP and specialist consultations and ongoing management related to your approved Chronic Disease List (CDL) condition**

We pay for four (4) consultations a year that are related to your approved condition at a GP in the Discovery Health GP network in full up to the agreed rate. If you choose to use any other GP, we will pay up to 80% of the Discovery Health Rate (DHR). You will have to pay any difference between what is charged and what we pay.

Depending on your condition, we also pay for a specific number of consultations with a specialist, as listed in our treatment baskets. We will pay the consultation at a specialist who we have a payment arrangement with and a Designated Service Provider (DSP) in full up to the agreed rate. We pay up to a maximum of the Discovery Health Rate (DHR) for consultations with a specialist who we do not have a payment arrangement with and is not a DSP. You will have to pay any difference between what is charged and what we pay.

We pay claims for tests available in your treatment basket from pathologists who we have a payment agreement with in full up to the agreed rate. We will pay up to a maximum of the Discovery Health Rate (DHR) if you use a pathologist who we do not have a payment arrangement with. You will have to pay any difference between what is charged and what we pay.

We pay claims from healthcare professionals such as radiologists, dietitians and podiatrists in full.

### **MedXpress Network Pharmacies are the designated service providers (DSPs) for chronic medicine**

You need to get your approved chronic medicine from a MedXpress Network Pharmacy to avoid a 20% non-designated service provider (non-DSP) co-payment. If you do not have access to a MedXpress Network Pharmacy, you can also use the MedXpress delivery service for nationwide delivery of chronic medicine.
