

Haemodialysis and peritoneal dialysis 2024

Chronic dialysis pathology basket of care

Discovery Health has based the pathology basket of care and utilisation on the South African Renal Society (SARS) and South African Renal Consortium (SARC) recommendations

The pathology basket will be calendar driven to ensure the basket is not depleted before the end of the year. This applies to members of schemes administered by Discovery Health.

For new patients on chronic dialysis, please complete an 'Application for out-of-hospital management of a Prescribed Minimum Benefit condition' form relevant to the patient's medical scheme in order to access this pathology basket of care. If additional pathology is required, please complete a 'Request for additional cover for out-of-hospital Prescribed Minimum Benefit conditions' form relevant to the patient's medical scheme. Up to date forms are always available on www.discovery.co.za under Medical Aid > Find documents and certificates.
