

Team Vitality non-Vitality member application form

A non-Vitality Team Vitality club member (also referred to as a public Team Vitality member) is a Team Vitality member without a Vitality Premium or Vitality Active membership. As a non-Vitality Team Vitality club member, you do not qualify for the full Team Vitality benefits that are available.

Team Vitality is South Africa's most rewarding running and cycling club – join now and take part in running, cycling or both, and show everyone your Team Vitality spirit.

For your membership fee, you'll get:

- A premium running and cycling race kit every two years
- Delicious food, fruit, beverages and a warm sense of community after select races at our VIP hospitality tent
- 25% off your In-Case-of-Emergency Identification (ICE ID) bracelet.

Who may register a membership with Team Vitality?

Anyone 18 years or older can register with Team Vitality. You can join the Team Vitality movement at any time during the year. Your Team Vitality membership is valid from the date of acceptance until 31 December of the year in which registration takes place.

You will only have access to Team Vitality benefits during this time. You will have to renew your membership every year to continue having access to the benefits.

What you pay

Everyone who joins Team Vitality will pay an activation fee each year. The membership fee for the year depends on your chosen sport:

- R1,760 for running
- R3,500 for cycling
- R5,260 for running and cycling
- Athletics South Africa running licence – Please note Athletics South Africa (ASA) province licence fees will apply for 2025 licences.

Regions eligible for running licences are Central Gauteng, Gauteng North, KwaZulu-Natal, Eastern Province and Western Province.

When you take up a Team Vitality membership and pay the membership fee, we will not be able to refund you once you have paid the membership. As a public Team Vitality member, you must email us at Team_Vitality_Documents@discovery.co.za to ask us to cancel your membership.

Entry fees for races are not included in the membership fee and you must pay this directly to event organisers.

Runners

Members living in Central Gauteng, Gauteng North, KwaZulu-Natal, Eastern Province and Western Province have access to a licence through Team Vitality. If you're from another region, you won't qualify for an ASA licence but can still join Team Vitality.

Cyclists

All cyclists will have to apply to Cycling South Africa (CSA) for a licence.

After this you can email your application form and proof of payment to us at Team_Vitality_Documents@discovery.co.za. Here's how to apply for a running licence:

Register on the [ASA website](#) for Team Vitality to accept you as a member and verify your licence details for **Gauteng North, KwaZulu-Natal, Western Province and Eastern Province**.

1. Purchase your ASA running licence when you sign up for [Team Vitality](#). Please note province licence fees will apply for 2025 licences.
2. Download the [ASA application form](#).

If you are renewing your Team Vitality benefit and have bought a running licence, we aim to give you the same licence number as the previous year; however, this is not always possible.

If you live in another region or you already belong to a running club, you can join Team Vitality as a social member without the running licence.

If you are a new member or a member renewing your membership for the second year, we will send you a welcome mailer once you have joined. This mailer will include a wiCode which you can use to collect your running kit from Sportsmans Warehouse stores in Canal Walk, Moffet Retail Park, Rondebosch, Centurion, Fourways, Sandton or Gateway.
