## Introduction

---

This document is not a contract of insurance but summarises the benefits provided to **You** by virtue of **You** being a valid **Cardholder**. The provision of these benefits is enabled by an insurance policy held by Visa International Service Association for member banks and issued to Visa International Service Association from Chubb Insurance South Africa Limited (Chubb).

Visa International Service Association is the only policyholder under the insurance policy and only it has direct rights under the policy against Chubb. This agreement does not give **You** direct rights under the policy of insurance. Strict compliance with the terms and conditions of this agreement is required if **You** are to receive its benefit.

## Eligibility

---

The benefits summarised in this document are dependent upon the **Cardholder** being a valid **Cardholder** at the time of any incident giving rise to a claim.

Visa International Service Association will give the **Cardholder** notice if there are any material changes to these terms and conditions or if the Policy supporting the benefits is cancelled or expires without renewal on equivalent terms.

This Policy contains details of benefits, conditions and exclusions relating to valid **Cardholders** and is the basis on which all claims will be settled by **Chubb**.
