# The Global Education Protector

*The Global Education Protector covers the actual costs of your children's education, from crèche to tertiary education, if you or your spouse pass away or suffer a severe illness or disability. If you actively manage your health and wellness, we will fund up to 100% of your child's tertiary tuition, even if you have not experienced a life-changing event like death or severe illness in your family.*

# Rewarding your improved health and wellness

## Funding up to 100% of your children's tertiary tuition fees, even if you don't claim

Over the years, we have gathered an in-depth understanding of the impact that health and wellness have on insurance risk. Based on our knowledge of these relationships, we are able to reward your improved health and wellness with a financial asset that can help fund your children's tertiary tuition fees through the University Funder Benefit.

### REWARDING YOUR IMPROVED HEALTH AND WELLNESS BY FUNDING YOUR CHILDREN'S TERTIARY TUITION

We automatically fund up to 10%\* of your children's tertiary tuition fees at the start of your policy. By engaging with Vitality each year, you can increase the percentage of your children's tertiary education that is funded up to 100%\* of their actual tuition fees. The annual University Funder Benefit amounts you can earn depend on your Vitality status.

At the beginning of the year in which your child first attends a qualifying tertiary institution, we calculate the accumulated percentage earned to date and fund that percentage of your child's fees, up to a specified maximum. The number of years of tertiary education we will fund is based on the child's age at the start date of this benefit as shown in the following table:

	Vitality status				
	Blue	Bronze	Silver	Gold	Diamond
Global Education Protector					
Private	0.5%	1.5%	3%	4%	5%
Core	0.25%	0.75%	1.5%	2%	2.5%

Age of your child at inception	Number of years covered
Younger than 5	3
Between 5 and 9	2
Between 10 and 12	1
Older than 12	0

\*The Core Global Education Protector initially funds 5% of your children's tertiary tuition fees and the maximum amount that we will fund is set at 50%.
