ADVANCED CONVENIENCE. ENHANCED CARE.

REGISTERING A PATIENT ON DIABETES CARE PROGRAMME

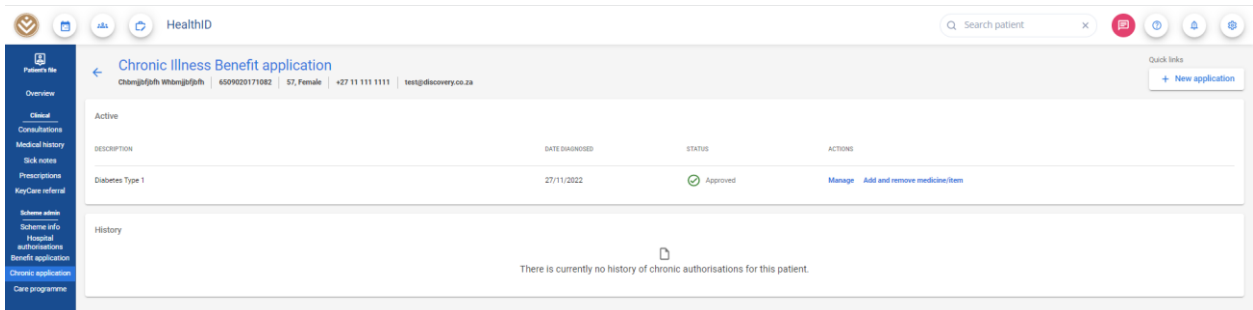

DISCOVERY HEALTH
2023

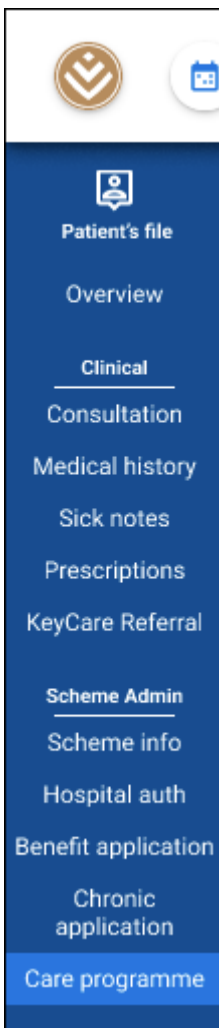

How to register a patient on diabetes care programme

- Ensure the patient has an approved Diabetes Chronic Illness Benefit (CIB) application

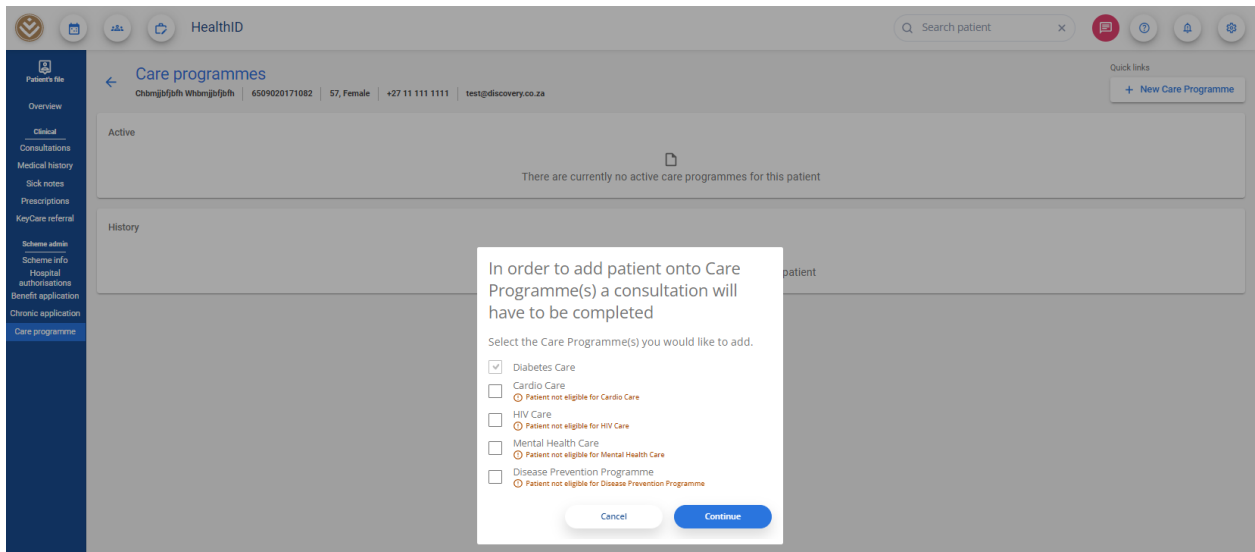

- Navigate to the Care Programmes menu item

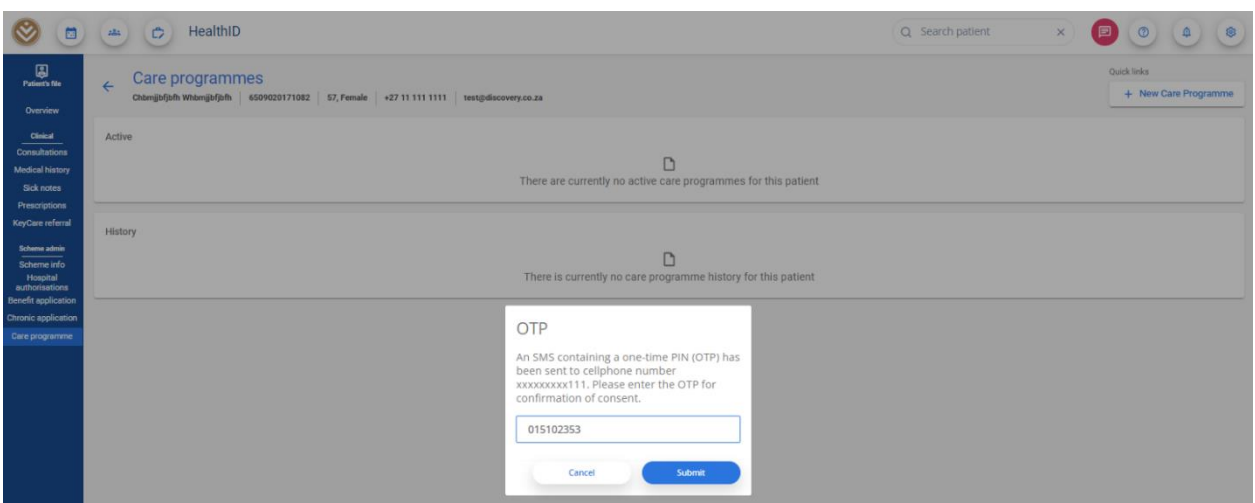

- Click “New Application” to start the registration process. Diabetes Care will be preselected if the patient is eligible for the programme.

- Click “Continue” to to request an OTP from the patient to start the enrolment consultation

- The diagnosis for the consultation will be prepopulated as the same diagnosis used for the same diagnosis used for the Diabetes CIB
