

FUNERAL
PLAN BROCHURE

Get a Funeral Plan that protects and rewards you and your family

Get unmatched value and rewards when you choose a Discovery Funeral Plan:

Get up to **15% discount** on your monthly premiums if you are a member of a qualifying scheme administered by Discovery Health.

One premium back in cash every year with the CashBack benefit

Up to **100% of the rest of your premiums back** when you reach the age of 65 with the Cash Back benefit

Flexible cover and cover amount options to suit your lifestyle and pocket

Additional payments to assist you with other costs

Airtime, grocery and education benefits are paid over and above the funeral cover benefit amount as per your policy schedule, providing you and your loved ones with protection beyond funeral cover.

Continued cover for your spouse

In the event of your death, we will pay the funeral cover premium for one year to ensure your spouse, children and parents continue to have funeral cover, provided your spouse is younger than 65 at the time of your death.

Annual benefit increases, maintaining the protection that you receive

Benefit amounts increase with inflation, allowing you to continue to ensure you and your family are financially protected in years to come.

You get automatic baby cover

You have immediate cover for your child for the first three months after their birth. If your child passes away within the first three months after birth, or is a stillborn, you will receive a lump-sum payout.

You will get double your payout in the case of an accidental death

We will automatically pay double your cover amount up to R100 000, if you or your spouse pass away as a result of an accident.

We'll pay your claim in one working day

After we receive the necessary paperwork from you, we will pay out your claim within one working day. You will receive the payouts for your additional benefits at the same time as your funeral cover benefit payment. This ensures that you have funds available to you immediately, giving you peace of mind knowing that all your needs are covered during a difficult time.

A photograph of a man with dark hair and a beard, wearing a dark green t-shirt, holding a baby in his arms. The man is smiling and kissing the baby on the cheek. The baby is wearing a blue and white striped shirt. They are outdoors, with trees and a bright sky in the background.

**Protect your family with the
Discovery Funeral Plan, from
as little as R34 a month**

Losing a family member is never easy. Coping with the loss can be an overwhelming challenge and one of the most traumatic experiences in life.

There are also many costs associated with the passing of a loved one, such as, funeral costs and the cost of the unveiling. These costs can add a lot of extra pressure to an already stressful situation.

We can help you by easing the financial burden of this difficult time with the Discovery Funeral Plan. Our Funeral Plan offers you and your family funeral cover with a payout between R10,000 and R100,000 upon the loss of a family member. It also offers valuable additional benefits.
