

DISCOVERY VITALITY 2024

Live life with Vitality

Vitality rewards you for knowing and improving your health

Vitality makes choosing to lead a healthy lifestyle even more rewarding. Vitality offers you a science-based behaviour change programme that helps you understand your health, keep track of your progress towards a healthier you and rewards you for making better choices with a premium range of health, lifestyle and leisure benefits. You can also earn more rewards with our Vitality Money and Vitality Drive programmes.

Click [here](#) to understand more about how Vitality works and how to maximise each of these benefits.

Earn Vitality points to improve your Vitality status

You can earn Vitality points every time you take a step toward knowing or improving your health. All these points add to your Vitality status and doing certain assessments helps you earn and boost your rewards.

Points you can earn if you're between 18 and 64

ONLINE ASSESSMENTS

- Find out your **Vitality Age** **1,500 points**
- Understand your **mental wellbeing** twice a year **500 points per assessment**

How to earn a Vitality Status

Your Vitality Health status is a key indicator of how healthy you are. Earn Vitality points by getting active, eating well and doing all your health checks. The healthier you get, the higher your Vitality status.

At the start of every year, your Vitality points reset to zero but you still keep the status level that you earned the previous year. This is to help encourage you to keep healthy year on year.

	 BLUE	 BRONZE	 SILVER	 GOLD	 DIAMOND
1 adult	Start on Blue Vitality status	7,500	25,000	40,000	50,000
